Offering two double bedrooms, an open plan living, kitchen and dining area and an internal access single garage. This home is perfectly designed to maximise space, comfortable living and indoor/outdoor flow. The well-appointed main bathroom features quality fixtures and fittings that complement the bedroom and living areas.

Spring Grove Lifestyle Village brings together like-minded active over 55 year retirees or semi-retirees, each in their own freehold property. An open village setting with a central gathering place will create a wealth of opportunities for residents to forge new connections, yet provide the freedom and space they want to live the life they choose. Plus, with properties owned freehold, the potential for growth is far greater than a traditional retirement village. SGLV offers a range of new home options in a secure and welcoming community.
