NO. 4 - GREAT CURSE There never was any more heaven or hell than there is now. Silently command, control, dominate anyone. The yield is low, raccoons plunder the crop, and ripe ears must be cooked soon after they are picked. * St. Lawrence was the first saint to be griddled to death on an iron outdoor stove. * Dried blood sprinkled around trees will help repel rabbits. * Make "manure tea" by soaking a burlap bag of manure in a tub of water.
