Hallway

Care instructions

Vacuum your rug regularly as shedding of loose fibers will occur with a new rug (do not use a rotating or brush head on the vacuum cleaner). Promptly clean spills by blotting with a clean, undyed cloth. Do not dry clean or use harsh chemicals. Never fold your rug or keep

in an airtight bag. Avoid direct or continuous exposure to sunlight and rotate regularly.

Sizing

Being a handmade product, a 3% size variation is possible.

Rug pad

We recommend using a rug pad to prevent slipping, provide extra comfort and extend the life of your rug.
