Hallway

### Care instructions

Vacuum your rug regularly as shedding of loose fibers will occur with a new rug (do not use a rotating or brush head on the vacuum cleaner). Promptly clean spills by blotting with a clean, undyed cloth. Do not dry clean or use harsh chemicals. Never fold your rug or keep

in an airtight bag. Avoid direct or continuous exposure to sunlight and rotate regularly.

### Sizing

Being a handmade product, a 3% size variation is possible.

### Rug pad

We recommend using a rug pad to prevent slipping, provide extra comfort and extend the life of your rug.
