Fire Corps Volunteer Program**

### **The Residential Key Box program**

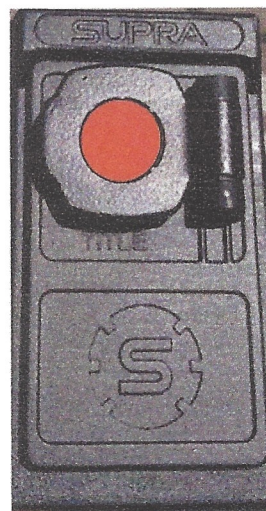

- **Saves emergency responders time.**  
Supra key boxes are authorized by the City of Maricopa Fire & Medical Department (MFMD).
- **Provides an alternative to forced entry.**  
If a key box is used, responders may not have to damage a home.
- **Provides peace of mind.** Key boxes are only accessible by authorized MFMD personnel in the event of an emergency. MFMD is the only agency with keys to open the boxes.
- Supra key box programs are currently used with great success in Sun Lakes, Sun City, Sun City West, and Peoria.

### **S5 Titan II Permanent Key Box**

A permanently mounted key box, with a dry lock lid (DLL) to protect it from the elements and a reflective dot for easy nighttime identification, holds up to five (5) keys and attaches securely to any wall or flat surface. Mounting hardware is included. The design has a solid track record for unmatched quality and security.

**Price: \$65.00**

Includes delivery.  
Free installation upon request.

## HOME KEY BOX PROGRAM

### What is a Home Key Box?

A home key box is a small metal box which is permanently mounted on or near the exterior front entry of your home. The box holds copies of exterior door and other entry keys. The lock box can only be accessed by members of the City of Maricopa Fire & Medical Department (MF/M).

### Why should I install a home key box?

In many emergency situations, an individual may not be able to open their door when first responders arrive. This is especially true with senior citizens, those with disabilities or injuries, and children. In these instances, every second counts and having a key box allows Maricopa Fire/Medical personnel quick and easy access to your home. Without the box, first responders may have to break through a door or a window, causing damage, costing money, and taking up valuable time.

### How does the home key box program work?

A volunteer from Maricopa Seniors will deliver your lock box. We provide free installation upon request, or you can install it yourself per the instructions provided. Mounting hardware is included. Next, have copies of entry keys made, ready to be placed in the key box. Also, include alarm codes, if applicable. Contact **MF/M to schedule an appointment. MF/MD Fire Corps** volunteers will come and lock your keys in the lock box. Once installed and locked, **only MF/M personnel can access the lock box.** *(Additional information provided with delivery of your lock box.)*

### What if I need help installing my key box?

Maricopa Seniors will install your key box free of charge. Simply check the "installation assistance" box when you place your order.

### How do I get a home key box?

Maricopa Seniors, Inc. is the exclusive distributor in Maricopa. Order forms are available by contacting Maricopa Seniors or at MF/M Administration, 20340 N. Estrella Parkway, off Edison Rd. Cash, check, or money order. Donations welcomed.
