

These projects are allocated through UTFORSK-2024

**Projects allocated earmarked funds*

Project-ID	Applicant	Title	Score
UTF-2024/10353	University of Bergen	Ocean Knowledge Exchange: Bridging Norway and Canada	6.5*
UTF-2024/10131	University of Oslo	SEA-LEARN: Strengthening and Sustaining Education for Marine Environmental Awareness and Resource Conservation	6.3*
UTF-2024/10249	UiT The Arctic University of Norway	JANATEX-2: Japanese and Norwegian Arctic-Alpine plant Ecology eXchange. Joint field courses, workshops, mobility and research-based-learning in two countries. (JANATEX-2)	6.2*
UTF-2024/10042	Norwegian University of Life Sciences	Digital Innovation Program for Research-based Education in Agricultural Robotics, Plant Breeding and Sustainable Food Production (DIP-Farm Edu)	6*
UTF-2024/10400	Western Norway University of Applied Sciences	Higher Education and Research Collaboration on Hydrogen and Enabling Technologies (HERCHET)	6*
UTF-2024/10370	University of Agder	Engineering Excellence: Norway-Canada-USA-Japan Sustainable Collaboration on Education and Research (NCUJ-SCORE)	6.5
UTF-2024/10104	Western Norway University of Applied Sciences	Building Health Workforce Capacity & Global Competencies: An International Educational Collaboration	6.3
UTF-2024/10203	University of Stavanger	Statistics on Complex Data (SCoDA)	6.3
UTF-2024/10048	Oslo Metropolitan University	Identifying strategies to increase research activities among students in health science programmes	6
UTF-2024/10225	Kristiania University College	Sustainable AI Literacy in Higher Education through Multilateral Collaborations (SAIL-MC)	6
UTF-2024/10345	Norwegian University of Science and Technology	Practice Based Pedagogy in Socially Engaged Architecture	6
UTF-2024/10473	University of Oslo	Collaboration on Nuclear Science Education and Research	6
UTF-2024/10290	University of Bergen	A Global Classroom for Global Challenges	5.9
UTF-2024/10003	University of Bergen	Norwegian-Chinese partnership in climate neutral and renewable energy	5.8
UTF-2024/10121	Western Norway University of Applied Sciences	Social Work Education for a Global World: Innovating for Transformative Change (SoWEGloW)	5.8
UTF-2024/10541	Norwegian University of Science and Technology	EduZEB - Life-cycle zero emission buildings and construction in a North-South perspective	5.8
UTF-2024/10336	University of Stavanger	SeaFood: the sea within the food system	5.8

UTF-2024/10453	Norwegian University of Science and Technology	Cultivating Sustainability and Cross-Cultural Competence in Work and Organizational Psychology	5.8
UTF-2024/10014	Norwegian University of Science and Technology	Integrating Research & Education in Sustainable Chemical Engineering for Batteries & Water Treatment	5.7
UTF-2024/10190	Norwegian University of Science and Technology	TSUCHI. Training Students in Understanding and Coding nature for reHarmonizing natural and built environments	5.7
UTF-2024/10263	University of Stavanger	Strengthened Clinical Mentorship Practice of Nursing Students on International Exchange Programs, India/Norway	5.7
UTF-2024/10350	University of Agder	Norway-Korea Partnership on Smart, Sustainable, and Scaleable Ocean Structures (SuSOcean)	5.7
UTF-2024/10439	UiT The Arctic University of Norway	Photonics4Life: Educating interdisciplinary researchers to help solve societal challenges in life sciences	5.7
UTF-2024/10028	University of Bergen	Resonating Rights - How Music Gives Voice and Fights Social Exclusion	5.5
UTF-2024/10431	Western Norway University of Applied Sciences	Co-creating sustainable entrepreneurial university ecosystems in the Global North and Global South (SUNECO)	5.5
UTF-2024/10532	UiT The Arctic University of Norway	Artificial intelligence in sustainable environment, earth sciences, and remote sensing	5.5
UTF-2024/10039	University of South-Eastern Norway	Cybersecurity for Critical Infrastructures	5.5
UTF-2024/10201	Oslo Metropolitan University	Educational Quality in Partnership (EQUIP): Strengthening the Capacity for Rights-Based Mental Health and Addiction Services.	5.5
UTF-2024/10297	University of Stavanger	Collaboration to Prompt Up Mechanical, Civil, Marine and Maintenance Engineering with AI Skills (PromptUp)	5.5
UTF-2024/10509	Nord University	SLAB - Sustainable Leadership Across Boundaries: building an ethical, responsible, and sustainable education for the Arctic region through Eastern-Western collaboration	5.5
UTF-2024/10399	University of Oslo	Field instrumentation and measurements in cold region environments (FieldEx)	5.5
UTF-2024/10177	Norwegian University of Science and Technology	CHILD RIGHTS IN TRANSLATION AND TRANSITION: TOWARDS TRANSFORMATION	5.4
UTF-2024/10196	University of South-Eastern Norway	INterGlocal: Connecting Global and Local Realities through Indo-Norwegian Internationalization in Teacher Education	5.4
UTF-2024/10467	Norwegian University of Science and Technology	Synergy for Safe and Sustainable Ocean in Norway and Korea (SONoKo)	5.3
UTF-2024/10124	Norwegian University of Science and Technology	Digitalization for cultural heritage	5.3
UTF-2024/10209	University of South-Eastern Norway	[Nor-Can Geo-Exchange] Developing Norwegian-Canadian Educational Network for Blended Research-Based Learning in Geothermal Energy	5.3

UTF-2024/10294	Norwegian University of Science and Technology	Interdisciplinary network for safe and sustainable hydrogen energy sector between Norway Canada Japan and United States of America (HERCULES)	5.3
UTF-2024/10361	VID Specialized University	iEMPOWER-HEALTH: Implementing digital postgraduate education on empowerment and health promotion intervention – A multilateral partnership between Norway, USA and Brazil.	5.3
UTF-2024/10377	UiT The Arctic University of Norway	Hybrid STEP (STudent Exchange Program) in the second language classroom	5.3
UTF-2024/10447	University of South-Eastern Norway	TIDE: Technological Innovations for Digitalization and Efficiency in the Maritime sector	5.3
UTF-2024/10482	University of Stavanger	Camp-Nord	5.2
UTF-2024/10134	University of Bergen	Porter la voix des autres/ Målbære andres stemmer: A Quebec - Norway international collaboration on professional and social practices of literature	5.2
UTF-2024/10215	Western Norway University of Applied Sciences	Climate and Health: Interprofessional Learning, Innovation, and Collaboration (IP LINC)	5.2
UTF-2024/10219	Norwegian University of Science and Technology	Norway-India: Strengthening Institutional Partnerships for Advancing Smart City Security and Resilience through AI-driven Digital Forensic	5.2
UTF-2024/10255	Norwegian University of Science and Technology	Sustainable Architecture: Bridging Across Borders	5.2
UTF-2024/10276	Norwegian University of Science and Technology	Norwegian-Japanese collaboration on Sustainability and Recycling in Aluminium alloy development (SuReAl)	5.2
UTF-2024/10415	Oslo Metropolitan University	Mechatronics in Healthcare	5.2
UTF-2024/10248	Oslo Metropolitan University	Adaptive Journalism: Confronting the triple threats	5.1
UTF-2024/10291	University of Bergen	MARine molecular tools LINKing education and research in a trans-Atlantic partnership (MARLIN)	5.1
UTF-2024/10095	Molde University College	Sustainable Health Care for the Future: Norway and India collaboration (H4F)	5.1
