

# Learn Norwegian online for free!

## Online self-study courses

**CALST** (Computer-Assisted Listening and Speaking Tutor) is a program which allows you to practice the pronunciation of approximately 1000 Norwegian words and expressions.

The program contains also written exercises.

You can log in using your Facebook or G-mail profile.

**calst.no**

**LearnNow** gives you an introduction to the Norwegian language through text, sound and image.

You can use English, Spanish or Polish as language of instruction.

The program contains vocabulary lists, grammar exercises and interactive items.

You can access the program directly, without log in, at
