8TH ANNUAL RALLY IN PIONEERTOWN

MAY 17TH GROUP RIDE DETAILS

Meet for check in at 10 a.m. for rides/drives.

(Please do not bring your motorcycle or car to check in; We will get them after).

Group Ride A: Desert Blacktop Run

A fun yet relaxed journey that travels at a comfortable pace, the Desert Blacktop Run consists of a 200-mile loop in and around Joshua Tree. This run is open to cars and motorcycles and welcomes drivers and riders of all skill levels. Because this entire loop is composed entirely of paved roads, it doesn't require an off-road-ready vehicle — though off-roaders are welcome.

Group Ride B: Desert To Mountain Run

Reserved for experienced riders with off-road-capable motorcycles, the Desert To Mountain Run is an 18-mile excursion beginning in Joshua Tree and ending in Big Bear. Containing a wide variety of conditions and terrain, this technical off-road run sees riders climb over 4,000' in elevation.

Group Ride C: 4x4 Off-Road Drive Powered By Rivian

Only open to cars and trucks, the 4x4 Off-Road Drive Powered By Rivian is a medium-skill run that traverses miles of sand, dirt, and rocky terrain as it stretches through a dry lake bed set in the Mojave Desert. Backed by our friends at Rivian, this single-file procession includes a variety of both relaxed and technical off-roading.

Group Ride D: The Carrera Mojave - Vintage Drive

Held on some of the most stunning paved roads the desert has to offer, from twisty mountain passes to wide-open desert highways, the Carrera Mojave honors the spirit of classic driving and reminds you why you fell in love with these machines in the first place. No off-roading, no pushing your luck—just pure, paved-road pleasure. Whether you're behind the wheel of a Porsche or Alfa, or any vintage ride with soul, the Carrera Mojave is all about great roads, great people, and that undeniable analog connection between car and driver.

***If you are not participating in one of the rides, spend the day exploring Joshua Tree National Park or visit the unique stores and restaurants in downtown Joshua Tree.

Additionally, we'll be selling select AETHER items in the afternoon.
