

Prepayment Program

For those families interested in paying annual tuition in advance, we are pleased to offer a prepayment program that includes significant additional savings. Enrolling families may exercise the option to prepay one, two, or three years of tuition. (Partial year prepayments are not eligible to receive savings benefits.)

These savings do not require advanced commitment of enrollment. In line with our philosophy that it is our responsibility to continually earn your trust, all prepayments fall within our general policy of providing full refunds for any reason. If you disenroll your child from the school at any point, you will be returned any unused portion of your prepayment (less the one month notice that is our standard policy**).

The following savings are applied to prepaid tuition:

- A 3% discount* off your total tuition amount.
- The opportunity to lock in 2021-2022 rates for every year of prepayment.

Hypothetical Savings on a Three-Year Prepayment

Example:

On your rate, your child's monthly tuition is listed as \$1,260 for 2021-22, \$1,320 for 2022-23, and \$1,390 for 2023-24.

IF YOU PAY AS YOU GO	Your child's tuition over the next three school years will be \$47,640.
IF YOU PREPAY FOR THREE YEARS	<p>Your child's annual tuition for each year will be locked in at the 2021-22 rate of \$1,260.</p> <p>You will owe \$45,360 total for the three years.</p> <p>A 3% discount will then be applied to your \$45,360 total, resulting in a \$44,000 prepayment.</p>

*The 3% discount is available for families who submit their prepaid tuition prior to May 1, 2021. Prepayments submitted after that date will receive a 1% discount.

**As per our standard policy, prior to submitting your prepaid tuition, you will submit your deposit. This deposit will "roll forward" each year that your child remains with the school, so you will not be required to pay a new deposit in order to re-enroll. If your child ever leaves the school, you will be asked to give one month's notice. Your tuition deposit will be applied to tuition for your child's last month of school, and if tuition owed for that last month is less than the amount of the deposit, we will refund the excess amount. If any of your prepaid tuition remains upon your departure, you will be refunded that as well.
