The Raw collection embodies the distinctive beauty of glass in its purest form when taken from the furnace. Each component is bold and unique, available in crystal, soda, and golden mica finishes to enhance the depth and detail of your interior. Whether displayed individually or clustered together, these pieces offer endless possibilities for creating striking designs.

Colours & Shapes

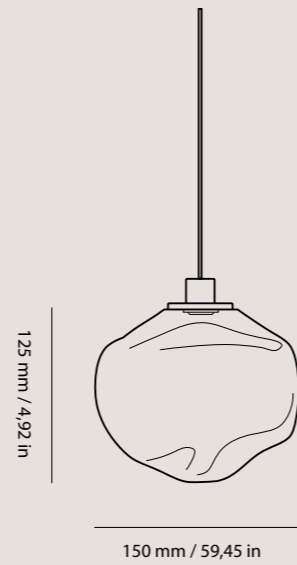

* Standard overall height of pendant (including cable) is 2500 mm / 98,43 in. The cable can be adjusted by shortening the wire.

** All glass components are handmade – exact dimensions & colour can vary slightly.
