DAY ONE

Land

Travel in style on one of **Landsea Tours & Adventures'** luxury private charter vehicles for your private tour. The company offers a host of custom-packages to local destinations, but we recommend a trip up to **Grouse Mountain**. Just minutes from downtown, you'll swap the city skyline for stunning views as you enjoy a spectacular gondola ride to the 1,231m peak.

High above the city you can visit the resident grizzly bears, Grinder and Coola, before enjoying a **Mountain Zipline Tour**, where you can explore the mountaintop while reaching speeds of up to 55km/h and taking in breathtaking views of Vancouver and the nearby mountain ranges.

Air

After taking the Skyride back down to the base of the mountain, your driver will pick you up and whisk you through the sparkling glass towers of our downtown core. Arriving in **Coal Harbour**, you'll find your very own floatplane ready to take you on a truly memorable experience.

Harbour Air's Vancouver Extended Panorama tour offers spectacular aerial views of the city's busy downtown skyline and iconic landmarks including Stanley Park, English Bay, the Lion's Gate Bridge and the North Shore Mountains. Fly North along the coast towards Whistler, before circling back over the stunning islands of Howe Sound.

Sea

As you head into the evening it's time to take to the ocean with **Prince of Whales** tour. This tour explores the stunning waters, serving up a high speed experience that will see you soar through sea mist and stunning scenery.

End your evening by sampling some of Vancouver's world-renowned cuisine. **Ancora's** sun-soaked patio is one of the city's most sought after spots, delivering views every bit as spectacular as the food on its Japanese-Peruvian menu.

DAY TWO

Enjoy the finer things

For lunch, head to **Hawksworth Restaurant**, where Chef David Hawksworth serves up the very finest regional cuisine prepared using time-honoured French techniques and unique West Coast flair. If you're in the mood, why not reach for their award-winning wine list and enjoy a glass of one B.C.'s best vintages.

Shopping in style

Across the street, you'll find yourself at the upscale **CF Pacific Centre** mall. Pacific Centre is home to premium retailers, designer brands, and high-end department store **Holt Renfrew**, where you can enjoy a private shopping experience with your own personal stylist. A short trip across the Lions Gate Bridge will bring you to the stunning indoor/outdoor **Park Royal** shopping centre in West Vancouver. For great deals on designer brands, take a trip further south of the city to **Tsawwassen Mills** or **McArthur Glen Designer Outlet**.

And relax...

After all of that excitement, it's time to unwind at **Orrin Spa** nestled within **Hyatt Vancouver Downtown Alberni**. This wellness sanctuary offers a range of luxurious treatments designed to help you relax and rejuvenate. After the spa, visit the collections at the **Vancouver Art Gallery** and Northwest Coast Indigenous art at the **Bill Reid Gallery**.

After your calming afternoon, enjoy dinner at **Joe Fortes Seafood & Chop House**, a Vancouver icon that serves up steak, seafood and old school luxury.

Your trip continues just minutes away to **Capilano Suspension Bridge Park**, an exhilarating outdoor experience that's been wowing guests since 1889. Here you won't just see nature, you'll immerse yourself in it.

Lunch with a view

After all of that excitement, it's time to refuel and enjoy a chef-made gourmet lunch at **Cliff House Restaurant**, where meals are prepared fresh each day using the very best local ingredients. Your tour then takes you up the road where you can stretch your mind (and calf muscles) while exploring **Capilano River Regional Park**, home to **Capilano River Hatchery**.

An evening you'll never forget

End your trip in style with a sunset **Champagne Flight** over Vancouver. This unique **SKY Helicopters** experience is the ultimate couples' adventure, a romantic ride offering unique views of downtown Vancouver and its stunning natural setting at golden hour.

If you're looking to go a little further afield, book yourself in on one of the company's **Backcountry Beer Tasting** tours. After setting off with your BC-trained pilot you'll soar above old growth forests and coast mountain views on your way to a backcountry landing for a beer "flight" - sampling of four unique West Coast craft beer selections.
