15. Authorisation to the board of directors to acquire shares in the Company

The Company has implemented a long-term incentive scheme for its executive management, which would require the Company to acquire shares in the market for this purpose. In addition, a general authorisation to enable the acquisition of own shares will optimize the capital structure of the Company.

(iv) *Fullmakten gjelder frem til Selskapets ordinære generalforsamling i 2025, likevel ikke lenger enn og inkludert 30 juni 2025.*

(iv) *The authorisation is valid until the Company's annual general meeting in 2025, but no longer than to and including 30 June 2025.*

16. Fullmakt til styret til å forhøye aksjekapitalen

16. Authorisation to the board of directors to increase the share capital

For å sikre fleksibilitet for Selskapet i forbindelse med finansiering av videre vekst, utstedelse av aksjer i forbindelse med aksjeinsentiv-programmer og for å posisjonere selskapet for å ha mulighet til å gjennomføre fusjoner, oppkjøp og investeringer i andre selskaper, har styret foreslått at det gis fullmakt til å forhøye Selskapets aksjekapital.

To ensure flexibility for the Company related to financing further growth, issuance of shares in connection to share incentive programs and to position the Company to be able to efficiently carry out mergers, acquisitions and investments in other companies, the board have proposed that it is given the authorisation to increase the Company's share capital.
