

# Your Marathon Oil Royalty Statement is changing!

Effective October 25, 2021 your royalty statement from Marathon Oil Company will be provided on Energylink Platform. Any historical statements will still be available on Oildex platform until December 2022. Your statements will continue to have details of your adjustments and payments. It will show the amount and purpose of each adjustment for items such as transportation, processing, compression, and administrative costs. In the event that there are any prior period adjustments made to your payment, the amount and purpose of each adjustment will be included on your statement. The statement layout in Energylink is a bit different than Oildex statements, so please see outline/details below of how to read your statement.
