

Sudbury RC 150th Anniversary Regatta 3rd August 2024

In order to manage some of the larger entries and to provide the most competitive racing we have decided to 'band' a number of events into Championship, Challenger and in one case, Aspirational categories. Aspirational and then Challenger, for the International, sit above Novice and offers a pathway to Championship racing next year!

We have used CRI to do this, as the best indicator of experience and success.

The table below shows where we have drawn the boundaries for each event.

Event	Championship Minimum CRI	Challenger Maximum CRI	Aspirational Maximum CRI
Open 1x	82	57	19
Open 2-	158	25	
Open 4+	211	68	
W 2-	108	2	
W J15 2x	36	6	
W 2x	82	24
