1. Payment Reference Number – This number matches the reference number on your check.
2. Check Amount – This is the net amount of the check due to an interest owner.
3. Check Date – This is the date the check was printed. **(please note that checks are void after 90 days)**
4. Owner Number – Unique number assigned by Equinor to each interest owner.
5. Well – Unique number assigned by Equinor identifying each well. This Number may be different than the number assigned by other companies.
6. WC – Unique number assigned by Equinor
7. Well Description – Lists the well name.
8. Property – Unique number assigned by Equinor to identify the property.
9. DOI – Unique number assigned by Equinor to identify the property.
10. State – State in which property is located.
11. County – County in which property is located.
12. API – American Petroleum Institute number uniquely identifying well.
13. Interest Type – Type of interest assigned to an owner in Equinor’s system. Please see the Interest Types at the bottom of the page.
14. Interest SEQ – Unique number for Equinor
15. DOI/Unit Decimal – Owner interest “Division of Interest” or Unit decimal.
16. Production Month – Month and year the product was produced.
17. Production Code – Product for which the payment is being made. Please see Product Codes at the bottom of the page.
18. Lease Gross Volume – Share of production volume that Equinor markets and remits payments to owners.
19. Unit Price – Price per unit of measure for product.
20. Lease Gross Value – Value of products from a well before taxes and deductions. (Lease Gross Volume x Price = Lease Gross Value)
21. Lease Gross Taxes – Tax obligations for a property
22. Lease Gross Deductions – Costs associated with producing and marketing products from the well.
23. Lease Net Value – Value of the product after subtracting taxes and deductions. (Lease Gross Value-Lease Gross Taxes-Lease Gross Deductions = Lease Net Value)
24. Disb Decimal – This decimal reflects your proportionate share of production from a well. This decimal may not match your DOI/Unit decimal depending upon the number of WI owners. This decimal will represent the share of production for which Equinor is responsible for remitting interest owner payments.
25. Owner Gross Volume – Your proportionate share of volume from a well. (Lease Gross Value x Disb Decimal = Owner Gross Volume)
26. Owner Gross Value – Your proportionate share of value from a well. (Lease Gross Value x Disb Decimal = Owner Gross Value)
27. Owner Taxes – Your proportionate share of taxes due from a well. (Lease Gross Taxes x Disb Decimal = Owner Taxes)
28. Owner Deduct – Your proportionate share of allowable deductions from a well. (Lease Gross Deducts x Disb Decimal = Owner Deduct)
29. Deduct Code a unique number used by Equinor to identify deducts.
30. Owner Net Value – Value received from products from a well net of taxes and deductions. (Owner Gross Value – Owner Taxes-Owner Deducts = Net Value)
31. BTU – British Thermal Unit is a unit of measurement used to evaluate the energy content of a product.

Retain this statement for tax purposes. No duplicates furnished. Owner Taxes refers to Severance Taxes only. State taxes have been deducted and paid where required. In correspondence, please refer to well number and owner number.
