Seat depth	24"
Seat height	20"
Arm height	26"

DESCRIPTION

A Valley tailoring classic with a pleated slip for every day ease. Our slipcovered upholstered English rolled arm sofa is classic Valley design, form and finish. Refined over our 30 years of upholstering experience, this sofa conserves a slightly more classic touch for the present with a nod to its contemporary, the upholstered armchair. Its tailored slipcover with pleated and swooped arms is at once evocative of the age-old tailoring techniques Valley has become known for, while at the same time offering a contemporary vision of simple elegance. The loose seat makes the sofa extra comfortable for everyday use and the removable slipcover is fitting for the many surprises that come with raising children and keeping pets.

MATERIALS

Wool, cherry, customer's own materials
