

Burlington Preticketing Guidelines

Shoes

Gummy Tickets

All LADIES* shoes should use a gummy ticket. Place a gummy label horizontally on the arch of the right shoe. Please do not cover the manufacturer's shoe size if possible.

Hangtag Tickets

Place a hangtag ticket on the right shoe through the eyelet, zipper, or strap using a 5" plastic loop.

Size Stickers

Place a size sticker on the insole of both shoes. Do not cover the vendor brand name with the size sticker.

Note: FineLine will automatically default to 1 sticker per pair when ordering. Make sure you order 2 per pair. Instructions on how to order size stickers can be found on the “Compliance” tab of the vendor website.
