

Website Accessibility Statement

Ideal Dental Care is committed to ensuring digital accessibility for people with disabilities. We are continually improving the user experience of our website at <https://www.idealsanjose.dental/> for everyone, and applying the relevant accessibility standards. Our accessibility policy was approved and became effective October 18, 2020.

If you encounter a page or section of our website which you cannot utilize due to a disability please contact our accessibility coordinator, Angela Arena, at Modern Practice Consulting, LLC. Our accessibility coordinator can be reached at the following email address: angela@modernpracticeconsulting.com.

We will respond within two business days to all relevant communication.

We are in the process of applying Level AA of WCAG 2.1 accessibility standards. Our current compliance is Partial Compliance.

Please contact us at the email address above if you have any questions or need additional assistance.
