<p>Our Values - SPARK</p> <p>Our company values are at the core of everything we do. How we do our work is equally important as what we do for work. We hire people who align with these values. We call them our SPARK values.</p>			
Job Description			
<p>Kraun seeks a residential electrician with a genuine passion for interacting with and serving customers. This individual must be friendly, comfortable in new situations, and enjoy working at different locations daily. Customer service must be of high value to the successful candidate.</p> <p>A residential electrician must possess extensive experience in residential applications and knowledge of ideal products and processes to achieve the customer's optimal outcome.</p>			
Roles & Responsibilities			
<ul style="list-style-type: none"> ▪ Work type includes but is not limited to knob and tube removal, home rewiring, panel changes, fixture installation, generator installation, electric vehicle chargers, etc. ▪ Meet directly with customers, providing on-site solutions, flat rate quotations and immediate service ▪ Educate customers on proposed electrical work and safety hazards ▪ Receive payment on-site electronically ▪ Understand job requirements and arrange materials in a timely fashion ▪ Participate in the rotating on-call schedule for after-hour emergency calls ▪ Complete work within expected timelines ▪ Complete work per Electrical Safety Authority (ESA) code ▪ Take ownership of a job and provide leadership and training to assigned staff ▪ Ensure interactions and installations comply with the Kraun Experience ▪ Meet all safety protocols and quality standards ▪ Meet schedule demands and complete work within expected timelines 			

- Always represent Kraun with professionalism and consistently demonstrate SPARK values
- Perform other duties as assigned

Qualifications and Education Requirements

- Valid Ontario 309-A Electrician Construction-Maintenance License is required
- Valid Ontario Drivers License
- This position must pass a background screening and provide a criminal reference check

Preferred Skills

- Proven experience as an electrician in residential environments
- Flexibility to work efficiently and whenever needed
- Comfortable interacting with people and working in homes
- In-depth knowledge of construction procedures, equipment, ESA code and safety guidelines
- Excellent critical thinking and problem-solving ability
- Ability to read drawings, plans and blueprints
- Excellent organizational and leadership skills
- Ability to communicate and report effectively
- Able to quickly learn and use software programs
- Able to communicate effectively in English, both written and verbal
- Must be able to collaborate effectively with many different people and personalities
- Able to work independently to diagnose and solve problems quickly
- Able to work within a schedule-driven environment, with the ability to meet deadlines and manage work tasks efficiently

Working Environment & Physical Demands

The working environment includes but is not limited to lifting and carrying a minimum of 50 pounds without assistance, working and meeting in customer spaces, driving extensively and working outside in various environmental conditions.

The successful candidate must be able to drive/walk/navigate and be in good physical condition, given the nature of this position.

Kraun services the Greater Horseshoe area; therefore, travel is sometimes required.
