Noheul Lee

Passionated by type design, Noheul Lee graduated from the Type and Media program at the KABK, The Hague. Currently she is working as a Hangul & Latin multi-script type designer and a partner of 'lo-ol type foundry', a studio based in Switzerland & Seoul. Her work has received recognition and acclaim; she won the 6th Bang Il Young Cultural Foundation Fund Competition for her Hangul design called 'Arvana', available on Future Fonts. She also received Gold medal in the Morisawa Type Design Competition for the Latin design of 'Areon'.

Loris Olivier

Since the first encounter with interactive design in 2004, Loris has never stopped to feed his curiosity. After studying in the USA, Switzerland and The Netherlands, he experimented with different field of digital design and web development. Whether it's through typography, motion design, 3D modeling, UI and UX design, he always tries to push toward new territory in between current cultural artefacts and representation.
