

Lighting the Flame of Learning

MARTIN LUTHER SCHOOL

2616 Connecticut Ave. Joplin, MO

February 15, 2024

2024-2025 Enrollment

Dear Martin Luther School Prospective Families,

We are honored that you are considering Martin Luther School to provide a Christ-centered education for your child. We strive to light the flame of learning in the hearts and minds of each of our students. We hope that you are able to join our MLS family for the 2024-2025 school year. Please use the following steps to **enroll** your children for the upcoming school year:

- Go to www.martinlutherjoplin.com and click on “enroll here” in the top right corner of the web page.
- Fill out the Google Form to register your child.
- Online registrations are preferred to ensure your information is accurate. If you do not have access to online registration, we will help you register online in the office.
- We may ask for additional information and records as part of the application process.

We are also excited to announce the **improvement of our Student Information System (SIS) and our Tuition and Fee Management System**. We will be moving away from Sycamore, Vanco, and PayJunction and operate solely through **FACTS** in the 2024-2025 school year. This transition will allow our families to have easier access to resources, improved communication with teachers, and a central source for all school needs.

The educators at Martin Luther School are also working hard to make sure we provide the best opportunities for our students and families. That is why we will be adding an **Enrichment Program** into our curriculum for Grades 3-8. Students in grades 3-8 will be able to enroll in one enrichment class each quarter. We are working to include classes in history, music, STEM (science, technology, engineering, and math), literature, home economics, foreign language, and more! This will extend above and beyond our expected curriculum to provide unique experiences in a student-focused, Christ-centered environment.

We are excited to embark on our journey with you as we continue to light the flame of learning in the 2024-2025 school year!

With joy,

Mollie Ramstad

Interim Principal

“For this reason I remind you to fan into flame the gift of God” - 2 Timothy 1:6a
