EXECUTIVE HEALTH SCREENING CENTRE

A basic package to start off with, to maintain a healthy lifestyle.

BASIC PACKAGE

Recommended 29 years and below.

Designed to maintain your health at the prime of your life.

DELUXE PACKAGE

Recommended for ages 30 - 40 years old.

A health screen to determine your general wellness level. The packages include cancer markers, mammogram for ladies and treadmill stress test for men. Recommended for ages 40 years old and above.

WELLNESS PACKAGE

Built on the Wellness packages to conduct in-depth health screen, with additional focus on digestive disorders and heart health.

PREMIER PACKAGE

Recommended for ages 40 years old and above.

The Executive Health Screening Centre at Regency Specialist Hospital is a dedicated one-stop centre providing comprehensive multiphase health screening services with the purpose of maintaining healthy lifestyle & early detection of medical condition.

Your screening takes place in a warm, cozy and private environment, and you may select a package that is tailored to your needs and lifestyles. All tests are conducted on an out-patient basis and take approximately half a day to complete. Upon completion of all the tests, you will be given a detailed medical report and professional consultation by doctor on the same day (except weekends).

IMPORTANT NOTES

Things to **DO BEFORE** health screening:

- All prescribed medication may be taken accordingly EXCEPT for diabetic medication (morning dose should not be taken).
- Fast for at least 4 hours if you are going for Ultrasound - Upper Abdomen / Full Abdomen & Pelvis procedure. Plain water can be consumed.
- Ladies who are going for mammogram are to avoid using deodorant or talcum power.
- Pap smear is best done 10 to 15 days after the first day of your menstruation.

Things to **BRING** for health screening:

- IC / Passport
- Previous medical records if any.
- Comfortable attire for all packages. Comfortable sports attire and shoes for your treadmill ECG.
