

**Gallus,  
Hirundo**

Gallus & Hirundo is a Hungarian world music management company with the passion to help and empower unique bands that represent outstanding quality and innovation on folk music traditions. Each of our artists work the Eastern European melodies and their music can worthily represent world music on the main stage of any festivals.

From renowned artists to emerging talents, our bands one by one process the folk music traditions of the Carpathian Basin with outstanding quality, helping to channel our heritage into the modern music environment.

So if you're interested in Hungarian world music, we're sure that you'll find what you're looking for please listen to their music (click on the images or logos below) and get in touch with us at [music@gallushirundo.hu](mailto:music@gallushirundo.hu)
