

Wooden table
with a distinct
sense of
premium quality

Round

Rectangular

Piece Wood Table

Design TEA

Piece Wood is a series of round and rectangular wooden tables with presence and a distinct sense of premium quality. The design combines lightness and agility with structural finesse, making the tables both elegant and durable. As a further development of the Piece series, designed by TEA, it meets today's demands for flexible and functional solutions for work, meetings, and dining.

Discreet and well-considered cable management solutions make it easy to keep technology and cabling

organised while preserving the clean expression of the table. The round table is just as suitable for a bistro or dining setting as for a meeting room, while the rectangular version provides space for both smaller groups and larger gatherings.

Piece Wood unites function with aesthetics and brings natural warmth to any space.

Length: 1300 / 1500 / 1900 / 2100 mm
Width: 800 / 900 mm
Height: 730 / 900 mm

Climate-Smart

All materials and surface treatments are approved for public environments with high wear and tear, and will last for many years without the need for maintenance.

Certified according to Möbelfakta

Technical quality standards for sustainability, stability, safety and for surface resistance. Environmental standards for materials and products.

ISO Certified Production

Edsbyverken is certified according to quality and environmental management standards ISO 9001 and ISO 14001.

Color & Trim

Customized furniture with extensive configuration possibilities is our specialty. Edsbyn's selected palette, Color & Trim, showcases a small selection of the color schemes offered for standard orders.

All materials are carefully selected with environmental sustainability as our top priority. All finishes offered in Color & Trim are sustainable and suitable for environments with heavy daily wear and tear.

Edsbyn Factory

The secret of our success is the ability to change and adapt. What began in 1899 as a small carpentry, grew in to be one of the largest furniture factories in the Nordics. Between 1934 and 1984, we produced wooden skis for the Ministry of Defence, Olympic gold medal winners, and families. From the waste material, we manufactured pin-back chairs, which became well-known and cherished in Swedish homes.

As one of Sweden's oldest furniture companies, with roots in Edsbyn, we can proudly say that we have played a part in making the label Swedish Design synonymous with good form and function.
