My General Reaction

For each of the questions below, please circle the number that best describes your response.

1. I felt interested and engaged throughout the workshop
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

2. The training materials (handouts, presentations, and workbook) helped me learn.
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

3. The activities in this workshop helped me learn.
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

4. The trainer's explanations helped me learn.
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

5. I see the trainer as a credible expert in this topic.
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

6. What I learned is relevant to me and my work.
Strongly disagree Somewhat disagree Neutral Somewhat agree Strongly agree
1 2 3 4 5

Household Water Treatment and Safe Storage (HWTS) Participant Final Evaluation

What I Learned

For each of the topics listed below, please circle the number that best describes your response.

Before the workshop, I could:	Very untrue	Somewhat untrue	Neutral	Somewhat true	Very true
• Define safe drinking water	1	2	3	4	5
• Identify risks to water safety from the source to the user's glass	1	2	3	4	5
• Propose multiple barriers to reduce risks from unsafe drinking water	1	2	3	4	5
• Describe when and where HWTS solutions are most likely to be effective	1	2	3	4	5
• Evaluate the benefits and limitations of different HWTS options	1	2	3	4	5
• Work with users to select appropriate HWTS options for a specific context	1	2	3	4	5
• Propose strategies to support behaviour change (towards correct, consistent, and continued use of HWTS systems)	1	2	3	4	5
• Describe considerations that increase the likelihood of sustained impact through HWTS	1	2	3	4	5

After the Workshop, I can:	Very untrue	Somewhat untrue	Neutral	Somewhat true	Very true
• Define safe drinking water	1	2	3	4	5
• Identify risks to water safety from the source to the user's glass	1	2	3	4	5
• Propose multiple barriers to reduce risks from unsafe drinking water	1	2	3	4	5
• Describe when and where HWTS solutions are most likely to be effective	1	2	3	4	5
• Evaluate the benefits and limitations of different HWTS options	1	2	3	4	5
• Work with users to select appropriate HWTS options for a specific context	1	2	3	4	5
• Propose strategies to support behaviour change (towards correct, consistent, and continued use of HWTS systems)	1	2	3	4	5
• Describe considerations that increase the likelihood of sustained impact through HWTS	1	2	3	4	5

My Plan for Action

For each of the questions below, please circle the number that best describes your response.

1. I feel motivated to apply what I learned to my work.

Strongly disagree	Somewhat disagree	Neutral	Somewhat agree	Strongly agree
1	2	3	4	5

2. I have plans for how I will apply what I learned to my work

Strongly disagree	Somewhat disagree	Neutral	Somewhat agree	Strongly agree
1	2	3	4	5

3. I am confident that I can apply what I learned to my work.

Strongly disagree	Somewhat disagree	Neutral	Somewhat agree	Strongly agree
1	2	3	4	5

3a. If you responded “strongly disagree” or “somewhat disagree” to question 3, please describe why (check all that apply)

- I did not respond “strongly disagree” or “somewhat disagree”
- I do not have time to apply what I learned
- I do not have funding to apply what I learned
- I do not have the authority to apply what I learned
- I do not have the knowledge and skills to apply what I learned
- Other _____

Additional comments or suggestions for the trainer:
