Introduction

1. Describe the Agenda for the day.

Review

20 minutes

1. Explain that before starting a new day of training it is important to review the information from the day before.
2. Divide participants into few groups (as per the number of participants).
3. Give each group a topic prepared beforehand,

Title includes: Wash in emergency

Working with people in emergency situation

Disease transmission and blocking

Water quality in emergency

Emergency sanitation

4. Ask participants to discuss and write key information that they discussed earlier day related to the topics.
5. After 5 minutes, ask participants to stick their outcomes in the station.
6. Ask the participants to do a gallery walk and add any information that is missing.

Trainer Note: while doing gallery walk make sure that the first group reach to their own station so they can review it.

7. After gallery walk ask participants to take their seats.
