# PRIOR TO YOUR VOYAGE

## AIR INFORMATION

---

Please review your air schedule and ticketed names upon receipt to ensure all information is correct. We also recommend that you contact the air carrier 72 hours prior to your flight to review flight times. Changes to your flights/itinerary may not be possible after travel has begun without incurring change and/or service fees, or being required to purchase new air tickets at your expense. To secure your seat assignment, we recommend that you contact your travel professional and/or the airline directly. All fees charged by the air carrier for advance seats are your responsibility. We regret that Silversea is unable to guarantee reserved airline seats for our guests. If you have any dietary restrictions or require a special meal, please be sure to advise the airline at least 48 hours prior to your scheduled flight departure.

You should allow a minimum of four hours between the ship's arrival/departure time and your flights arrival/departure time. (There are exceptions, please contact Silversea Reservations for details.) This will allow for unexpected delays, including but not limited to, disembarkation formalities, transfer time to/ from the airport, two to three hours for flight check-in, customs/immigration formalities, unanticipated scheduled air or charter flight delays, and baggage claim/transfer.

Guests requiring wheelchair assistance should notify Silversea in advance to ensure appropriate transportation and/or accommodation arrangements are made.

If you find that your flight will be delayed beyond your ship's departure time, please contact Silversea's Miami, Florida office immediately at 800-722-9955 or 954-522-2299. If our office is closed, please contact our after hours service at 866-746-8872 or 954-761-9595.

You may dial the ship directly by using a credit card and calling U.S. 888-722-3562 or outside the U.S. at 732-335-3263. To dial the ship directly without using a credit card, you will need to first dial your local Dialing code (i.e. 1, 011, 99) plus the telephone or fax number shown below:

SILVER WIND      Reception Voice: 954-672-7212  
                         Reception Fax: 954-672-7222

## CUSTOMS

---

Prior to departing, please consider registering your valuables (e.g. jewelry, cameras, electronic equipment, etc.) with U.S. Customs. Although this is not a requirement, it will help to prevent delays in clearing Customs upon your return to the U.S. For further information, please consult your travel professional or visit the U.S. Customs Services' website at [www.cbp.gov](http://www.cbp.gov) and click on "Travel". If you are not a U.S. resident, contact your local Customs office.

## EMBARKATION

---

Embarkation times are included in your final cruise documents. Cruise ships departing from U.S. ports will be required by the U.S. Customs and Border protection to provide the full passenger and crew manifest to the U.S. government 60 minutes prior to departure. All guests must be on board at least 90 minutes prior to the ship's departure to meet this government requirement. Guests arriving after the manifest has been submitted to the U.S. Customs and Border Protection will be denied boarding. For non-U.S. ports, guests are required to be on board at least two hours before the ship's scheduled departure time. Once you arrive at the terminal, you will be asked to show your Silversea voyage documents and your passport. We strongly recommend that you keep all necessary documents handy in your carry-on bag.

## MEDICAL INFORMATION

---

### INOCULATIONS

Generally, inoculations are not required in most areas where Silversea travels. However, any requirements that may apply are subject to change and we recommend that you verify current guidelines with your travel professional prior to departure. Please note that when travelling to countries that do require inoculations, written verification will be necessary. Before taking any trip overseas, it is wise to check with your doctor, particularly if you are under a doctor's care.

### PREGNANCY

At the time of booking, expectant mothers are required to provide a medical certificate establishing their fitness for travel at the time they are due to travel. Silversea is unable to accommodate women who have entered their twenty-fourth (24th) week of pregnancy and will not be responsible or liable for any complication related to pregnancy during the entire duration of their Silversea vacation/holiday or thereafter. Additionally, airlines may have restrictions that may differ from Silversea's. Please contact your travel professional or airline.

## PRESCRIPTION MEDICATION

For your convenience and well-being, it is important that you bring a sufficient supply of any prescription medicine you may need. Prescriptions cannot be refilled on board, and usually cannot be refilled overseas. To prevent delays in clearing Customs, it is also a good idea to travel with a doctor's letter explaining that your prescription medication is required for your continued health. It is also recommended that the medicine remain in its original container with the original pharmacy label intact.

## SPECIAL MEDICAL CONDITIONS

At Silversea, your health and safety are our first priority. If you have any existing medical conditions that may require our attention, or should you require oxygen for medical reasons while on board, we ask that you please send written notification prior to your voyage to Silversea Special Services, 333 SE 2nd Avenue, Suite 2600, Miami, FL 33131 or by fax to 954-759-5049. Please note that an oxygen concentrator is the only form of oxygen equipment that Silversea ships can accommodate. Guests wishing to bring their own portable oxygen tanks must obtain prior written authorisation from Silversea, as restrictions may apply. Guests who rely upon wheelchairs must bring their own collapsible wheelchair.

Please note that not all shore excursions are suitable for guests with impaired mobility.

## OPTIONAL HOTEL AND TRANSFER

---

Silversea offers optional pre and post hotel and transfer arrangements. Please contact Silversea or your travel professional for availability and details.

Cruise-only guests who purchase optional transfers with Silversea must provide their flight schedule at least 21 days in advance to ensure proper arrangements of transfers.

## PACKING TIPS

---

### CLOTHING ABOARD THE SHIP

Silversea operates an on board dress code after 6pm, while during the day casual wear is appropriate for daytime and consists of standard sports outfits as worn at five-star resorts. Shoes should be flat or low heeled for deck activities. Evening wear falls into three categories: casual, informal and formal. On casual evenings, pants, blouses or casual dresses for women; open-neck shirts and slacks for men are appropriate. On informal evenings, women wear dresses or pantsuits; men wear jackets (tie optional). Appropriate formal wear for women is an evening gown or cocktail dress; men wear tuxedos, dinner jackets or dark suits. Tie is required.

On formal nights, guests may dine in La Terrazza and choose to dress informal. Same applies to Seishin and Stars on board Silver Spirit and Kaiseki and Silver Note on Muse. Dining at The Grill is optional casual all nights. Same applies to Spaccanapoli on Muse. Following dinner, guests may take

advantage of public spaces, however, jacket is required.

On 7-day sailings or less, the formal night is per guest discretion. Meaning that while the ship will operate one formal night, appropriate formal evening wear is optional. A guideline for reference is below.

**On sailings of 7 days or less**, expect 1 formal night (dress optional).

**On sailings of 8-9 days**, expect 1 formal night.

**On sailings of 10-14 days**, expect 2 formal nights.

**On sailings of 15 days and above**, expect 3 formal nights.

## CLOTHING ASHORE

Since there is so much to see and do while exploring the sights, you will find that the most important packing essential is a pair of comfortable, sturdy shoes. This is particularly important for shore side explorations where often the ground is uneven and where extensive walking or climbing may be required.

Casual attire is appropriate at all times when ashore. Clothing that can be layered to accommodate different temperatures is most versatile and comfortable. Appropriate dress should be worn on shore excursions whilst visiting a mosque, cathedral or monastery. Guests wearing shorts or skirts above the knee or women with bare shoulders may not be permitted to enter. Please check with the Shore Concierge Desk aboard the ship for dress requirements before departing on tour.

## LUGGAGE ALLOWANCE

Luggage allowance guidelines/fees vary by airline, airport and/or class of service ticketed. Airlines are strictly enforcing these policies and you may be required to pay additional fees at check-in should the weight and size of your luggage be outside the airline's set policy and/or the number of pieces exceed the free luggage allowance. Many airlines limit each piece of luggage to 23kg (50lbs) or less. Since the airlines change their policies frequently, we strongly recommend that you or your travel professional contact the air carrier(s) directly for the most up-to-date baggage allowance policies and weight/size restrictions. These policies are updated regularly on most airline websites. Please note that each guest is fully responsible for any luggage fees imposed by the airlines upon check-in. Silversea is not liable for any fees associated with checked or carry-on luggage, or any items confiscated at the security checkpoint.

Silver Shore Transfers, Land Adventures and charter flights may have additional baggage limitations. Your final travel documents include the details of the luggage limitations, if applicable.

All luggage must be securely packed and tagged with the pre-printed luggage tags supplied as part of your documentation package. In accordance with airport security restrictions for carry-on baggage, we recommend that you hand carry travel documents (passports, visas, inoculation verification, cruise and air tickets), medications and valuables. Liquid, fragile, perishable and other articles not suitably packed are transported at your own risk.

While every effort will be made to deliver luggage to your suite in a timely manner upon embarkation, delivery may be delayed due to strict Customs formalities, which are beyond the ship's control.

#### OTHER ITEMS TO PACK

The Boutique on board is stocked with some toiletries as well as film. However, we do suggest that you pack a supply of essential items, since toiletries are often very expensive overseas and sometimes unavailable. Also be sure to pack an ample supply of film/memory cards and batteries for your camera, chargers and cables for all electronic devices you bring, over-the-counter medications and prescription drugs.

#### SUITE AMENITIES

Pack a little lighter knowing Silversea provides their guests with an abundance of thoughtful items. All suites include a compact refrigerator and bar setup stocked with your preferred selection of complimentary beverages, luxury European or hypoallergenic bath amenities, a choice of nine pillow types, plush robes and slippers, personalized stationery, an umbrella, flat-screen TVs with complimentary movies, and an alarm clock with iPod® docking station.

A news summary is delivered daily, and WiFi Internet access is available in your suite and throughout the ship (fees apply). Royal, Grand and Owner's suites also have a coffee maker.

#### SILVER SHORE BAGGAGE VALET

---

Silversea offers an optional baggage handling programme that conveniently begins and ends at your front door, enabling you to travel with ease.

For your convenience, we offer round-trip and one-way service options, with pricing based on the weight and number of pieces to be shipped. For most international embark ports, we require the luggage be picked up 10-14 business days prior to your sail date. Each piece of luggage is insured up to a maximum of US\$2,000.

For additional details and fares, kindly contact Silversea or your travel professional.

#### SPECIAL DIETARY REQUIREMENTS

---

Silversea will make every attempt to accommodate guests with special dietary requirements. If you have any special needs, please note them on the Guest Information Form or have your travel agent fax Silversea Special Services (954-759-5049) at least 90 days prior to sailing.

#### SPECIAL OCCASIONS

---

If you are celebrating a birthday, anniversary, honeymoon or other special occasion during your voyage, we will be happy to celebrate the event with you. Please indicate your special occasion on your Guest Information Form or have your travel professional advise us of such occasions at least four weeks prior to departure.

#### TRAVEL DOCUMENTS

---

To ensure that your journey runs smoothly, please remember to bring along all required travel documents. These include air and cruise tickets, passport, visa and, if required, medical card inoculation verification. Please be aware that security measures imposed by overseas governments may change from time to time. It is your responsibility to secure all relevant documentation for your trip. If any guest fails to obtain and to have such documents readily available, that guest may be denied boarding and accommodation, or the guest may be disembarked during the voyage.

Note: Some countries you visit may require that your passport be valid for six months following your return date.

For your personal safety, we require all guests to provide us with the above mentioned documentation in order to board our vessels. Should you have any questions regarding travel documents, please consult your travel professional for advice.

# ABOARD SHIP

## COMMUNICATIONS AT SEA

---

Communication via satellite is a significantly different experience compared to high-speed connections on shore. The signal travels in a similar manner to radio waves but at much greater distances. That is why onboard Internet access can be inconsistent and cannot be guaranteed at all times. Satellite communications can be affected by weather and the ship's location. As such, there may be temporary outages of any satellite-provided service, including Internet, mobile phones, in-suite phones, television broadcast channels and world news summaries.

Considering the limitations of satellite bandwidth, Internet access is best used for e-mail communication and web browsing. Certain websites and services may be restricted due to limited bandwidth. Certain online activities require high-bandwidth and will be more frustrating than enjoyable.

## COMMUNICATION SERVICES

---

### INTERNET ACCESS

All guests will be granted free, unlimited standard Wi-Fi for 1 device at the time. Guests sailing in Medallion, Silver, Royal, Grand or Owner's suites will receive unlimited premium Internet access aboard for up to 2 devices at a time. Standard Wi-Fi is provided at regular satellite speed – ideal for emailing, web surfing, chat or similar. Not suitable for video, audio calls, or streaming. Premium access is suitable for all kinds of applications, including video and audio call and streaming. Premium WI-FI is available at an additional charge. Guests may use their own laptop with wireless to conveniently access the Internet and personal email services from the privacy of their own suite, and at wireless Internet (Wi-Fi) locations throughout the ship.

Telecommunications via satellite is a significantly different experience compared to high-speed connections on shore. The signal travels in a similar manner to radio waves but at much greater distances. That is why onboard Internet access is inconsistent and cannot be guaranteed at all times.

Satellite communications are also affected by weather and the ship's location.

### E NEWSPAPERS

Guests can simply download the PressReader application to enjoy a wide variety of complimentary newspapers from around the world directly from your iPad/iPhone or an Android device. The application is a free download on the Apple App Store and Google Play Store. After download, visit the Silversea Portal page, and follow the PressReader link to connect to the free onboard newspapers library.

## MOBILE PHONE AND DATA SERVICES

On board, guests may send and receive phone calls, text messages and other select data services on their own smart phone or device. Guests will be billed by their home mobile phone provider, calls, messages and data will appear as roaming charges on their bill. Before leaving home, guests should contact their provider to confirm a roaming agreement with them has been established and the applicable rates. Each ship is also equipped with an in-suite telephone system that allows guests to make direct-dial phone calls from their suite whilst at sea. Calls will be billed to the guest's onboard account. Please consult the ship's Reception Desk for the current rate, which (at time of printing) is USD\$1.50 per minute.

The ship's Internet service is a very reasonably priced alternative to phoning. Should someone wish to reach a guest

whilst they are at sea, please refer to the Leave Behind Information provided in the final cruise documents.

## MONEY MATTERS

---

### CARRYING MONEY

Silversea does not limit the amount of money you may carry during your voyage. For safety reasons, Silversea recommends that guests take precautions and not carry excessive amounts of cash. Many purchases can be conveniently made using credit cards or traveller's cheques and do not require cash transactions. Silversea is not responsible for any loss of money.

If you bring more than US\$10,000 into or out of the United States (e.g. in the form of U.S. or foreign currency/coinage, traveller's cheques in any form, money orders, etc.), you must report it to the U.S. Customs Service. For additional information and forms, see the U.S. Customs' website at: [www.cbp.gov](http://www.cbp.gov) and click on "Travel". If you are not a U.S. citizen, please contact your local customs office.

### CURRENCY EXCHANGE

It is a good idea to exchange some of your funds at a bank before leaving home. Most international airports also exchange funds, though they often charge higher exchange fees. In certain ports of call there will be a local bank representative on board to exchange funds into the currency of the host country.

### MAKING PURCHASES ABROAD

If you plan to make any major purchases abroad, we recommend that you use your charge card ashore wherever it is accepted. This will often ensure receiving a better exchange rate than what is offered locally.

## SHIPBOARD ACCOUNT

Upon embarkation, guests will be asked to register their VISA®, Master Card® or American Express® credit card number and expiration date, which must be valid through the final day of their voyage. All charges for services provided and products purchased onboard must be settled in cash in U.S. dollars, by travellers cheques in U.S. dollars, or above listed credit card at the end of each voyage segment and before final disembarkation from the ship. Although all shipboard charges are in U.S. dollars, Silversea processes shipboard credit card transactions through the United Kingdom. Please be aware that some credit card companies charge a foreign transaction fee. Silversea encourages guests to contact their credit card issuer in advance of their cruise to enquire about possible foreign transaction fees.

## TRAVELLERS CHEQUES

Travellers cheques in U.S. dollars may be cashed at the Reception Desk 24 hours a day. Also, your travellers cheques may be used to pay your shipboard account.

We are unable to accommodate pets of any kind on any Silversea voyage.

## SAFETY PRECAUTIONS AND PROCEDURES

It is mandatory that all guests participate in a safety drill, which is normally scheduled to take place prior to departure from the port of embarkation. Please note that emergency information is posted in your suite.

## SMOKING

Most areas on board are non-smoking, and, as a safety precaution, smoking is not permitted in guest suites or guest suite verandas. However, cigarette, cigar and pipe smoking is permitted in the Connoisseur's Corner and in specifically designated outside areas. These areas include designated tables outside of the Panorama Lounge and the Pool Bar, as well as on open Decks 9 and 10 aboard Silver Spirit, Silver Whisper and Silver Shadow – and open Deck 9 aboard Silver Cloud and Silver Wind. Tables and seating have been made available outside La Terrazza for cigarette smoking exclusively. Silversea kindly requests that all guests observe the non-smoking areas.

## VISITORS ON BOARD

Please have your travel professional contact Silversea Special Services if you would like to make arrangements for a Bon Voyage Party and/or to have visitors board the vessel at the port of embarkation. Requests should be made in writing no later than 14 days prior to departure. For security reasons, visitors on embarkation day must be pre-registered with Silversea. For visitors during the voyage other than embarkation day, arrangements may be made on board. Silversea may limit the number of visitors permitted on board.

## **CUSTOMS AND DUTY-FREE PURCHASES**

---

On your return flight home, the airline will provide you with a Customs Declaration Form. If you plan to make numerous purchases abroad, it is recommended that you keep all sales receipts handy in your carry-on bag to help you complete this form. U.S. Customs will permit each traveller to return to the United States with no more than US\$800 worth of merchandise purchased abroad without paying duty. You will be charged a 10% duty for the next US\$1,000 worth of purchases, and on purchased items that total more than US\$1,400, you will be assessed an additional rate based on the retail value from the country of origin. Limits on tobacco and liquor are as follows: 100 cigars or 200 cigarettes and one litre of wine, beer or liquor.

To prevent the inconvenience of trying to prove that foreign items purchased in the U.S., which you carried aboard, were not purchased overseas, you may want to pre-register them with the U.S. Customs Office prior to your departure. (Please see page 4 on Customs).

For additional information on U.S. Customs' regulations please see the U.S. Customs' website at [www.cbp.gov](http://www.cbp.gov) and click on "Travel" or contact the U.S. Customs Office in your area. If you are not a U.S. resident, please contact your local Customs Office.
