

MISURA

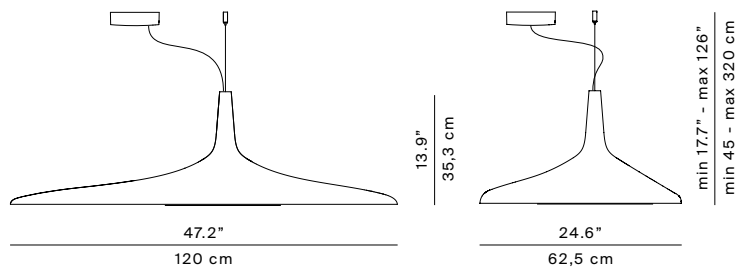

Soleil Noir Suspension Lamp

“When the Sun has a date with the Moon... The Moon enters the Sun and the crown appears...” says Odile Decq. Soleil Noir is a poetic encounter between white and black, a symbolic struggle between light and darkness. A suspension or ceiling lamp with an organic form in molded expanded polyurethane, whose LED source is hidden inside a disk to generate uniform indirect diffused light.

D89s

push dimmer/DALI
weight 6,50 Kg

ceiling rose Ø 15 x 5 cm
Product use: indoor

Light source	D89p / D89s	LED module 35W* 3000K CRI 80	1728 lm
Rating system	D89p D89s	220-240 V ~ 50/60 Hz 220-240 V ~ 50/60 Hz, 35W	
Materials	Molded polyurethane foam body and aluminium plate
