

# Year: 3 (AP3)

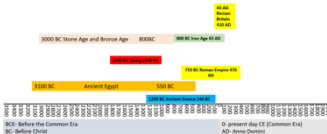

## Topic: Ancient Greeks

### Time Period: Prehistory

#### Learning outcomes:

- Explain how and why empires grow.
- Explain the chronology of a timeline.
- Understand the way Ancient Greece was organised into city states
- Compare the city states
- Find out about Ancient Greek gods and goddesses and use this knowledge to plan my own Greek myth.
- Use a range of sources to find out about the past and then present my findings.

## Lesson plan: Session 1

Ask the children if they can identify the country, it is in. Has anyone ever been to Greece? What was their experience? Ask the children what <b>ancient</b> means, i.e. Before Christ, a long, long time ago. Display a timeline for the children; elicit from them what A.D. and B.C. means. If they don't know, explain the terms for them. Ask the children do they know anything about <b>Ancient Greece</b>, have they seen any movies based on Ancient Greece? Most people lived by farming, fishing and trade. Others were soldiers, scholars, scientists and artists (explore these roles with children). Greek cities had beautiful temples with stone columns and statues, and open-air theatres where people sat to watch plays.</p>	<p><b>Identify</b> when, where and the Ancient Greeks lived</p> <p><b>List</b> key facts about their lifestyle.</p> <p><b>Explain</b> how historians know and infer information from the past.</p>	<p>iPad/laptops for research</p> <p>Timeline</p> <p>BBC Bitesize link</p>

The groups need to research information under these headings. They then need to <b>collaborate</b> to feedback their findings to the whole class- and the findings will be added to the working wall (CT to scribe the facts found onto flip chart paper and display).</p> <p>An extension as part of our Road to Writing, could be a non-chronological report about Ancient Greek Life</p>

<p>Remind the children of the last 2 lessons and their learning (Ancient Greece was split into city states and they were all very different).</p> <p><b>Only a very powerful ruler could control all of Greece.</b> One man did in the 300s BC. INTRODUCTION	VOCABULARY	ACTIVITIES	LEARNING OUTCOMES	RESOURCES
Do pupils know the names of any Greek gods or goddesses? Explain that pupils are going to learn a little about Olympian gods and goddesses and that they will probably have heard some of their names, even if they don't realise who they are! These gods were thought to have special powers, and each had control over a different aspect of life. The people of <b>ancient Greece</b> worshipped many gods and heroes. They told stories about the gods and built temples to honour them. The stories about the gods make up Greek <b>mythology</b>. Those stories, or myths, have survived for more than 2,000 years. The <b>myths</b> of ancient Greece are similar to those of many other cultures (<i>look to read some myths in story time or as part of a R2W –have included an online link in resources</i>). They tell how the world was created and help explain why things happen.</p> <p>Share the Greek Gods and Goddesses sheets (see resources) and discuss.</p> <p>2 learning activities -could do one or both, on rotation –record in books.</p> <ul style="list-style-type: none"> <li>• <b>Playing God.</b> Children should imagine they are a god or goddess. <p>The Paris <b>Olympics</b> took place in July 2024. Brainstorm what children already know about the Olympics.</p> <p>Explain how the Olympics started in Ancient Greece and was a huge event. The different states were often at war but there was always peace during the games as it was a religious event.</p> <p><b>Watch the video:</b></p> <p><a href="https://www.bbc.co.uk/teach/class-clips-video/ks2-history-ancient-greece-olympic-games-leonidas/z363r2p">https://www.bbc.co.uk/teach/class-clips-video/ks2-history-ancient-greece-olympic-games-leonidas/z363r2p</a></p>	<p>Olympics</p> <p>sprint</p> <p>wrestling</p> <p>boxing</p> <p>long jump</p> <p>javelin</p> <p>discus</p> <p>chariot racing</p> <p>pentathlon</p> <p>pankration</p>	<p>WALT: describe the past using sources, including art.</p> <p><a href="https://www.bbc.co.uk/bitesize/articles/zgpdjxs#znwyvwx">https://www.bbc.co.uk/bitesize/articles/zgpdjxs#znwyvwx</a></p> <p>Watch this first.</p> <p><b>Explain:</b></p> <p><i>The Olympics actually started in Ancient Greece. The different city states often fought but during the Olympics, peace was declared and everyone came together to enjoy the games. The games began in 776BC in Olympia. It is believed that the games were a religious event to honour Zeus who was the king of the Gods.</i></p> <p>The Ancient Greek Olympic events were; running, wrestling, pentathlon, chariot and horse racing.</p> <p>In modern day Olympics there are 400 events!</p> <p>Remind the children, what is meant by primary and secondary sources of evidence. Greek pottery is a primary source of evidence that has been used by historians to provide clues about life in ancient Greece. Groups look carefully at the photographs in the resources (which are primary sources) and discuss the questions below, in their books.</p> <ol style="list-style-type: none"> <li>1. Which Olympic events can you see in these photos?</li> <li>2. How do these photos (and the original pottery ) tell us about Greek culture?</li> <li>3. Who might have owned this pottery?</li> <li>4. Why was it made in the first place?</li> <li>5. How important do you think these primary sources are and why?</li> </ol>	<p><b>Identify</b> how pottery can give us information about the Ancient Greek Olympic Games.</p> <p><b>Describe</b> the modern-day Olympic games.</p> <p><b>Explain</b> how important the Ancient Games were to the modern Olympic Games.</p>	<p>Images of pottery</p> <p>Questions from main plan, to answer into books</p>

<p>Following on from last lesson, children discuss what they know about the Paris Olympics (or another Olympics coming up in the future).</p> <p>Children find out about one event that interests them in the modern Olympics.
