Ask the children to think, pair and share their ideas.</p> <p>Tell the children that the bottom picture is of a Roman chariot. It was something which was used 2000 years ago. That is a long, long time ago. Roman people would race in chariots, pulled by horses and people would go and watch them. Can you think of something similar that happens today? An event where people do something and other people watch? Horse racing, football games.</p> <p>Explain there were no TVs, iPads etc then so this was used as entertainment.</p> <p>The top picture shows the Roman Circus which was an oval shaped arena. The racing took place inside this and people sat around the outside to watch. Unbelievably we have the remains of a Roman Circus near our school. Has anyone ever seen it?</p>	<p>chariot</p> <p>entertainment</p> <p>Romans</p> <p>long ago</p> <p>the past</p> <p>2000 years</p> <p>oval</p> <p>arena</p>
