KEY DIFFERENTIATORS:

8(a) & HUBZone Certified

REPRESENTATIVE PAST PERFORMANCES:

Customer:	Department of the Navy
Period of Performance:	02/22 - 01/25
Contract Value:	\$5 Million (FFP)
<p>DT Professional Services enhances the BRACBIMS data warehouse's IT infrastructure with a focus on cloud operations, analytics, database management, infrastructure maintenance, and network security. By integrating advanced cloud-based solutions and analytics tools, we ensure efficient database management and robust infrastructure support. Our expertise in comprehensive ETL system management, coupled with proactive stakeholder engagement, highlights our dedication to preserving the functionality and security of the Navy and Marine Corps' IT systems.</p>	

Customer:	Department of the Navy
Period of Performance:	09/22 - 09/25
Contract Value:	\$43 Million (CPFF)
<p>DT Pro delivers comprehensive IT solutions to the Performance Analysis Division at the Naval Surface Warfare Center. Our contributions span advanced engineering, dedicated technical support, and sophisticated data management practices. These efforts are pivotal in streamlining Test and Evaluation (T&E) financial planning and significantly bolstering the operational readiness of the Fleet. Additionally, we offer a highly effective Risk Management service, further ensuring the success and efficiency of our client's strategic objectives.</p>	

Customer:	Marine Corps
Period of Performance:	09/23 - 09/28
Contract Value:	\$16 Million (FFP)
<p>The DT Pro Team augments the communication infrastructure for the Marine Corps Installations regional radio systems. Our meticulous system administration, cybersecurity initiatives, and in-depth reporting ensure the continuity and security of mission-critical communications.</p>	

Customer:	Department of Homeland Security
Period of Performance:	09/22 - 09/25
Contract Value:	\$4 Million (FFP)
<p>Our work with U.S. Citizenship and Immigration Services, DT Professional Services developed a cloud-based digital forms management platform. Our initiative greatly improves the user interface and processing experience, showcasing our commitment to delivering user-centric solutions that comply with stringent regulatory standards and boost customer satisfaction.</p>	

Customer:	USDA - Forest Service
Period of Performance:	09/22 - 09/25
Contract Value:	\$5 Million (T&M)
<p>As part of our work with the U.S. Forest Service through the Joint Venture Objective Function Systems LLC, DT Professional Services focuses on HR Content and Customer Relationship Management. Leveraging Salesforce and Smartsheet, our work enhances HRM efficiency and integrates seamlessly with the Forest Service's existing networks, demonstrating our adeptness in handling complex organizational needs.</p>
