

MATTEO ANGELINI

street Priorato 20, Fontanellato PR, Italy, +39 3347204457, European driving license

angelini.matteo27@gmail.com | [LinkedIn](#) | [GitHub](#)

Software Engineering student at University of Parma (third year). Passionate about everything involving the application of technical and scientific principles. Some of my projects are available at my GitHub profile.

DATA SCIENCE PROJECT

During my studies I've got the chance to study some ML/AI concepts and to actually make a Data Science project or case-study with a Kaggle dataset. The final results are available on my Google doc [report](#) and the GitHub [repo](#).

RELATED EXPERIENCE
