

OBJECTIVE To secure a position as an Interior Designer where I can fully utilize my design and presentation skills for the benefit of the company.

EDUCATION Academy of Art University, San Francisco, CA
Bachelor of Interior and Architecture design, Aug, 2020.

QUALIFICATION Emily Feng is dedicated to bringing unique and vibrant perspectives and aesthetics to decoration and design. Creative, open-minded, a strategic problem solver, and skilled communicator.

EXPERIENCE Subaru & Academy of art University cooperation project.
I was working in the global team with graphic designers, interior designers and Advertisers, which was committed to developing the mood and tone for Subaru. As a member of the global team, I am responsible for developing Subaru CMF with my partner. Based on Subaru's sustainable stories, we focus on searching for physical materials that reflect our powerful conceptual direction for 4 design teams, and supported all the design departments, include the automotive, architectural and interior design.

SKILLS Autodesk Revit, AutoCAD and 3dsMax
Adobe Photoshop, Illustrator and Indesign
Microsoft Word and Powerpoint
