/ OBJECTIVE

I am a motivated architectural designer looking to learn and absorb as much as I can in a collaborative and creative office. I am interested in how space and natural elements can affect people's wellness and mental health.

/ EDUCATION

Academy of Art University
San Francisco, CA
B Arch, School of Architecture
Sep. 2017 – Dec. 2022

/ Thesis

Stacking Fields
Oakland, CA
Feb. 2022 – Dec. 2022

Provide exercising spaces and facilities to guarantee local residents' daily outdoor exercise and promote physical and mental health. To reduce the footprint, stacking the programs becomes the design strategy creating a new park design for the community.

/EXPERIENCE

Ethen Wood Designs
San Francisco, CA
Feb. 2023 – Present
Designer/Renderer – Part Time
Assist with design visualization, creation of 3D digital models, renderings, 2D drawings, and presentation materials.
