WORK EXPERIENCE

Film Director

Stanford University, Women in Data Science Conference (WIDS)

November 2022 - present

- Direct mini documentaries that share the impact and stories of women in data science around the globe.
- Direct the conference highlight reel that promotes future participation.

Assistant to Director, Fiona Robert

A View of the World from Fifth Avenue (AVOTW), Feature Film

September 2022 - November 2022

- Actively supported the director, who was also the lead actor in the film.
- In pre-production, compiled and studied documents with directors vision for scene-by-scene character arcs, emotional maps, 2-D blocking documentation and scheduled meetings with actors.
- During the shoot, watched the directors monitor during each take, while keeping the directors vision in mind, and provided specific blocking and actors notes to the director and DP accordingly.

Assistant to Director, Annette Haywood-Carter

Daughter of the Bride (DOTB), Feature Film

May 2022 - July 2022

- Personal Assistant to the Director in pre-production and shooting of DOTB including scheduling meetings with department heads and actors, participation in location scouts, taking notes at all times, organizing systems and keeping track of all tasks.
- As requested by director, worked with various teams to help provide creative solutions.
