## OBJECTIVE

Become a part of an office where I can learn as much as possible, provide my enthusiasm and curiosity, and hopefully work towards my goal of creating a more sustainable urban fabric. I really aspire to be able to express my passions towards good design, sustainability, and personality in architecture.

## EDUCATION

### Academy of Art University

Bachelor of Architecture- Expected graduation 2022

Currently in my fourth year, hoping to focus on sustainability and conceptual work which reframes the view of the urban fabric.

## EXPERIENCE

### Solomon Cordwell Buenz - San Francisco, CA

INTERN - January 2022- Current

As an intern at SCB I have been integrated into a design team on various projects in which I have a role in physical model production, package assembly, and drawings to taking part in design meetings.

### Ethen Wood Designs - San Francisco, CA

INTERN Summer 2020

-Created visualizations of design proposals for client presentations  
-Brainstormed and problem solved design ideas

### Trader Joe's - San Francisco, CA

Crew Member 2018-2022

I have learned the dynamic of working while being in school as well as learned time management and been improving my ability to work well with others.

## AWARDS

### SPRING SHOW Exhibit of Best Student Work

2018

2019

2020

2021

### UC Big Ideas Competition

TOP 15 FINALIST

A partnership with UC Hastings Law School in which we are tackling the issue of stolen and lost belongings of unhoused or displaced residents by providing them with individual storage units. The architecture students are designing a unit that is durable, small enough to move, and still able to hold belongings that may be taken in police sweeps. We hope to provide agency for belongings to those who currently do not have it.

## SKILLS

Motivated and enthusiastic to learn and find solutions, Good communicator and team player, Conceptual Thinking, Revit, AutoCad, Rhino, Photoshop, Illustrator
