## Objective }

I am an experience architectural designer, creative artist and free-thinker. My goal is to find a position in a firm that values strategy as we all as strong visual harmony, and to become a contributing member of an architectural team.

## Education }

B. Arch 2024

Academy of Art University | San Francisco, CA

## Experience }

Landscape Designer Internship | 2021

The Landscape Room | Waikato, New Zealand

Worked closely with principle designer, cross functional teams, contractors, and clients in the role of a junior creative landscape designer / draftsman. Built comprehensive plant plans, layed out digital designs and concepts, developed inclusive, impactful, and straight forward approaches to complex design challenges across areas of corporate, commercial and residential landscape.

## Awards}

Studio Award ARH 450 OS | 2022

School of Architecture | Academy of Art University

Spring Show | 2022

Western Addition Project | Academy of Art University
