

(b) If it is agreed to dissolve the group, all remaining money and other assets, once outstanding debts have been paid, will be donated to a local charitable organisation. The organisation will be agreed at the meeting which agrees the dissolution.

(c) Any money or property remaining after payment of debts must be given to a charity with similar purposes to this one.

#### 15. INDEMNITY:

(a) A small charity / unincorporated association cannot in its own name, enter into contracts, sue or be sued, take on a lease, own property, or employ staff. If a claim is made, it cannot be made against the charity, so it will almost certainly be against the individuals running it.

(b) Therefore, the Management Committee will ensure that adequate insurance cover is in place, for example, public liability and or 'directors' and officers' cover.
