

Vindiano

Vintage 2023

Viticulture - Wine making:

Grapes are sourced from contract growers, mostly from mountainous sites of Heraklion, Crete. After their chilling at 5°C, the grapes are carefully sorted and pressed as whole clusters in a vertical press. Spontaneous fermentation takes place slowly in 4 different types of vessels, from 4 different elements: clay amphorae, concrete tanks, large barrels of 600L and stainless steel tanks, providing the wine with impressive complexity and depth. Aging for 6 to 9 months in amphorae and concrete tanks, with only a small percentage in the old large barrels, in order to preserve all of its purity of fruit and taste; after that, wine is bottled unfiltered to retain its purity and elegance.

Tasting notes:

Complex nose of citrus with hints of white flowers and herbs on a mineral shade. It is creamy and layered in the mouth with flavours of stone fruits, lime and spices. It's lively acidity provides freshness to the wine and a persistent after taste.

Food Matching:

Great match for fish, oysters, Asian cuisine, pasta, and a wide selection of cheeses.

Technical Characteristics:

COMPOSITION: Vidiano 100%

REGION: Heraklio, Crete

VINEAGE:

ALCOHOL: 13%

DOTS Family:

The «Dots family» consists of single varietal wines from indigenous varieties; it is named this way after its illusionary label of dots where one can find the name of the variety the wine is made from. Exceptional terroirs, minimal intervention viticulture, and wine-making with a unique goal: to express clearly and honestly each variety's character.
