

Sunday, November 1

Dear Students,

We warmly welcome Ms. Bazanchuk, as our acting Dean of Students. For the next three months while Dean Higuera is on maternity leave, Ms. B will be working in Ms. Higuera's office on the first floor of the Thompson school wing.

Reminder to everyone in the U.S., you should have moved your clocks back one hour on Saturday night-you don't want to miss meals or classes! It is hard to believe that it is already November and we have three more weeks of Term 2. November also marks the beginning of Indigenous/Native American History Month. Stay tuned for more ways to engage from the Class of 2022!

Well the weather in the Berkshires has certainly played tricks on us with the Friday snowstorm. Congratulations to Shawo Lhabdon for winning the annual "predict the first snowflake" contest! The first snowflake was reported at 7:00a.m on Friday, October 30th.

With the US national and state elections this week, we will be offering opportunities for you to learn, share and hear from others.

- The Democracy Class and Current Events Club will be offering an opportunity to ask questions about the election. Check out the Powerschool page for the **2020 Election**, in the extras section. Is there something you want to know about the electoral process, specific political races, where to find good information? Ask away, and they will share out the [Q and A's](#) to the community ASAP!
- Tuesday (November 3) evening is an opportunity to watch election results come in
 - For on campus borders: gather with peers and adults in the Woods Theater from 8:00pm-9:30pm. Signup sheet to follow for those on campus.
 - For day students and online learners: Connect with peers and adults via Zoom at 9pm **Zoom Link:** <https://misshalls.zoom.us/j/99464725135>
- Wednesday's Community Meeting and Advisor Buddy Group meetings will be an opportunity to discuss.
