

Dear Students,

With just 10 students on campus, it has been very quiet these past weeks. Beginning this weekend, we are welcoming the return of many boarders. It will feel great to hear chatter and laughter in the halls again. For those who will continue to learn remotely, please make sure to keep strong connections with the community through participation in clubs, weekend activities, grade meetings, advisor meetings and reaching out individually to teachers and friends.

As we continue to process the events surrounding the storming of the U.S. Capitol building last week, we invite you to continue the dialogue and reach out. Appreciation to Ms. Rutledge who shared an article from the publication, *The Atlantic*- [The Whole Story in a Single Photo](#). In this article, the author shares how a single photo from that day came to encapsulate so much of the US historical and contemporary battles.

Looking forward to this week- Please check the calendar for club meetings and -
