

Alpine Ski Coach

Miss Hall's School inspires and encourages each girl to pursue the highest standards of learning and character; to contribute boldly and creatively to the common good; and to seek a purposeful life, based on honor, respect, growth, and personal authenticity.

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency. Guided by these beliefs, and with the understanding that being an inclusive community requires ongoing work and commitment, we foster cross-cultural dialogue and allyship to honor and celebrate our diverse community.

Miss Hall's School has a need for a dedicated athlete to join its Athletics Department and help coach the School's alpine ski team. All candidates must possess experience skiing competitively and an interest in teaching and coaching young girls. The successful candidate will be a dynamic presence who radiates a genuine and infectious passion for the mission of the School, has an understanding of the value of single-gender education, and has the capacity to align with the School's core values. The Miss Hall's ski team is part of the New England Prep School Athletic Council (NEPSAC) and competes in the Mount Institute Ski League (MISL). Miss Hall's School is committed to diversifying its staff and encourages applicants who are committed to bringing a diversity, equity, and inclusion lens to their work.
