

Academic Support Learning Specialist

Miss Hall's School inspires and encourages each girl to pursue the highest standards of learning and character; to contribute boldly and creatively to the common good; and to seek a purposeful life, based on honor, respect, growth, and personal authenticity.

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency. Guided by these beliefs, and with the understanding that being an inclusive community requires ongoing work and commitment, we foster cross-cultural dialogue and allyship to honor and celebrate our diverse community.

The Academic Skills Center (ASC) promotes academic, cognitive, and personal growth in all students and is a resource for the adult members of the School community as well as students.
