

April 25, 2021

Dear Students

This past week has been filled with many wonderful special events that were imagined, developed and run by members of our community. There has been great collaboration between faculty and students, sharing of expertise, opportunities for important discussions and some great fun. Thanks to everyone who contributed to these experiences.

Congratulations to the members of the Class of 2021 who were inducted into the Alumnae Association and to the new students who signed the Book of the School!

Please remember that your athletic or recreational sport activity is required, and attendance is taken. If you are ill, you must receive permission from the health center.

This coming week includes:

**Wednesday April 28th**

10:00 am EST      **Advisor Groups Meet** (advisors will send links)

10:30 am EST      **Community Meeting** <https://misshalls.zoom.us/j/91206923323>

For those who have applied to be a Big next year, we will be in touch about next steps by the end of next week. Other Leadership application processes are underway! Please reach out to members of your personal team for feedback and guidance.
