Dear Students,

We hope you had a restful break. We remind you that we changed our clocks back one hour last night for daylight savings. This will bring more sunlight into our days! We are pleased to welcome Ms. Higuera to campus after her maternity leave. She is excited to connect with students this week!

Monday, March 15th we begin Term 5!

- B Block runs Monday and Thursday
- F Block runs Tuesday and Friday

During this term we will be hybrid.

- Day students and boarding students who stayed on campus for break, will be learning in person, in afternoon classes.
- Students who are learning from a distance and boarding students who are in quarantine, will be learning online, in morning classes. Note: quarantined students will move from morning classes to afternoon classes when they leave quarantine.
- It will be very important for you to review the emails you have received in order for you to know your new Term 5 schedule. We expect that everyone is set with their courses, but if you have any questions please reach out to Ms. Virden or your advisor.

For students who are on campus-

- Winter Athletics will be running for day students and boarding students who stayed on campus. Students in quarantine will join the last week of winter athletics on Monday, 22nd.

JEDII Teach In Call for Workshop [proposals](#) deadline has been extended to Wednesday, March 24th.

To Dos for all students:

- Check your MHS email frequently!
- Please review the important [Community Expectations in Common Spaces](#)
