

Instrumental Music Teacher Part-Time

Miss Hall's School inspires and encourages each girl to pursue the highest standards of learning and character; to contribute boldly and creatively to the common good; and to seek a purposeful life, based on honor, respect, growth, and personal authenticity.

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency. Guided by these beliefs, and with the understanding that being an inclusive community requires ongoing work and commitment, we foster cross-cultural dialogue and allyship to honor and celebrate our diverse community.

MHS is seeking a part-time instrumental music teacher who can direct up to three ensembles per week, throughout the academic school year. The projected interest is in Jazz, Rock and/or Ukulele ensembles, but there is some flexibility based on the teacher's interests and talents. There is an opportunity for teaching private music lessons in various instruments for additional compensation. Experience working with high school age students is strongly preferred.

The music department is a vital part of the Expressive Arts Department, including Visual Art and Theater. Department faculty members work closely with each other to support and promote a vital and inclusive program, focusing on the development of the self-expression and growth of developing young students' passion for the arts. The Director of Music will work closely with this instructor in creating several vibrant and fun musical events for the school community throughout the academic year.
