

## **Athletic Trainer Per-Diem**

Miss Hall's School inspires and encourages each girl to pursue the highest standards of learning and character; to contribute boldly and creatively to the common good; and to seek a purposeful life, based on honor, respect, growth, and personal authenticity.

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency.
