

## **Librarian Part-Time**

Miss Hall's School inspires and encourages each girl to pursue the highest standards of learning and character; to contribute boldly and creatively to the common good; and to seek a purposeful life based on honor, respect, growth, and personal authenticity.

At Miss Hall's School, we champion social justice; insist that all community members demonstrate respect for each other through words and actions; and affirm that diversity, equity, and inclusion are essential to learning and problem solving, discovery and personal growth, and cultivating empathy and cultural competency. Guided by these beliefs, and with the understanding that being an inclusive community requires ongoing work and commitment, we foster cross-cultural dialogue and allyship to honor and celebrate our diverse community.

MHS is seeking a part time librarian who promotes the library as an important community commons for learning; an inviting, dynamic place for students and faculty to collaborate, reflect and connect and study. The librarian will create an inclusive environment which is inviting to all members of the community.

The Librarian is an advocate for literacy, instructional designer, collaborative partner and lifelong learner. They will contribute to the management and oversight of the Library, with responsibilities in areas including programming, collection development, circulation, and cataloging. The Librarian will collaborate with faculty to advance curricular learning in their content areas while also embedding key Library learning skills.

We are looking for an individual who is excited to be in our dynamic learning community of adults and students who are committed to innovative programs. We will consider applicants with a range of experience who have completed a Library and Information Science degree.
