# A Word From Our Customers!

## Feeling The Park Love!

Dear DelGrosso, I wanted to thank everyone there who helped my family to coordinate a wonderful family reunion for my mother. She was diagnosed with leukemia on June 3rd of this year. My mother never wanted a memorial or obituary. She only wanted her family of 9 children and all of her grandchildren to gather after her death to have a fun time celebrating her life. We suggested she join us in that celebration and so she did! With the help of everyone at DelGrosso we were able to have a wonderful time on July 11th. Special thanks to Brenda Black for coordinating the pavilion, the food and coupons not counting the endless phone calls she received from us.

Brenda was very pleasant every time we called either changing the amount attending or the 20 questions we had. The pavilion was set up nicely and so clean! The food was wonderful!! Everyone enjoyed it and kept praising about how good the food was!! Next, we went to the water park where we rented five Cabanas by the Lazy River to make sure everyone could still play in the water park with their kids while mom could still see them. They kept coming up to visit her. The grandchildren and great-grandchildren got to see her one last time in her best spirit and smile. She had a wonderful time! She told everyone that's all she really wanted in the end. Mom passed away peacefully at home on July 24th. Thank you again for making her final wish in life come true. I've attached a picture of the event.

Sincerely, Shirley Walton's family

## thought for the week:

A couple of kids asked me today what it was like for me growing up. So I took their phones, shut off their internet, gave them a popsicle and told them to go outside until the street lights came on.
