Park News!

In March, Park President Carl Crider, Jr spoke before the State House Tourism & Recreational Development Committee to help legislators understand the importance of lifting Covid-19 restrictions (especially outdoor event capacity) for businesses.

PA State Rep. Jim Gregory invited Carl to speak to the committee, which was learning more about the impacts of COVID-19 on lodging, attractions, and tourism. Tourism is just one of the economic engines that can help us recover from the pandemic.

Great Job, Carl!

Leverage Your Character Strengths

Do you know your character strengths? What are the traits and skills that come naturally to you? It is likely that those things are rooted in your character strengths, defined² as “positive traits reflected in thoughts, feelings, and behaviors.”

The University of Pennsylvania’s VIA Survey of Character Strengths test³ was developed to help you assess these 24 character strengths:

Wisdom

Creativity, Curiosity, Judgment, Love of Learning, and Perspective

Courage

Bravery, Honesty, Perseverance, and Zest

Humanity

Kindness, Love, and Social Intelligence

Justice

Fairness, Leadership, and Teamwork

Temperance

Forgiveness, Humility, Prudence, and Self-Regulation

Transcendence

Appreciation of Beauty and Excellence, Gratitude, Hope, Humor, and Spirituality

Your character profile is comprised of all 24 strengths, just in varying degrees. The more you operate within your strengths, using them in your day-to-day life, the more benefits you will experience. Leveraging your strengths on a regular basis leads to less stress, higher productivity, and even greater happiness.

Here are some different ways to leverage your strengths:

Family

At home, volunteer for household tasks that are a good fit for your strengths, and offer support to other family members when you see them struggling.

Peers

At work, seek out projects that require your specific strengths, and offer help to colleagues who do not share your strengths.

Leadership

If you hold a leadership role, find ways to leverage your team’s strengths to strengthen the success of your team and organization as a whole.

Community

Within your community, look for volunteer opportunities that enable you to use and expand your strengths while also contributing to the greater good.

Finding simple ways to leverage your strengths on a daily basis can improve your overall wellbeing.
